Superstars Year 4 Event

Every year a Superstars event is held at Chelmsford Sport and Athletics Centre, where every year 4 pupil in Chelmsford is invited to participate in various athletics events. The following family of primary schools attended the event on Friday 6th March 2009, Chelmer Valley, KEGS and the Great Baddow Primary School Family.

The Chelmer Valley Sports Leaders helped organise and run the events for the entire day, helping make it a huge success. I would like to congratulate all the leaders for their dedication when training and their outstanding accomplishments as a leader on the day.

Superstars Leaders from Chelmer Valley High School:
